

HIBISCUS HERALD

Hibiscus Coast Progress & Sports Assn PRESIDENT'S REPORT

Hello all once again,

The Car Show has been and gone and was a major success. Thanks to all the volunteers who gave up their time on the day to come and help out.

Thanks to the Scouts and QCWA ladies for their help collecting and counting votes. Thanks to the people on the committee who gave up a lot of time to make this great event happen. Thanks to Beth Benson for your extreme level of input, without all your tireless efforts I doubt this event would have gotten off the ground.

Thanks to Mackay Regional Council for your help, support and in-kind assistance. Thanks to all of our sponsors and anyone else who helped and I have forgotten to mention.

We are looking to make this an annual event and would like to get a committee together nice and early for next year's Car Show. So if you have a bit of time to donate don't hesitate to contact any of the current committee or even better still come down to **our next monthly meeting which will be held on Sunday the 22nd October at 12:00 noon** at the BMX facility next to the Bowls Club.

There will be a free BBQ and the games room will be open for the children to play in. There is a pool table, table tennis etc. So bring your children down for a play and a feed whilst the meeting is on. Ross Gee the local councillor will be at the meeting and will have some updates on things such as sand scraping.

The swimming enclosure is back up and running. (Thanks Mackay Regional Council). Whilst on the topic of the swimming enclosure I would like to remind people that the enclosure is not jelly fish proof, so if you are swimming within it remember to be vigilant and still dress stinger smart.

Until next time stay safe and have fun.

Last month saw the Seaforth Bowls Club hold the Eat Street Festival again. It was great to see the event run extremely well and in a safe environment. I had numerous conversations with parents throughout the night and they all commented on and appreciated the family atmosphere. I would like to congratulate all those involved with the event.

Most people behaved themselves which was great to see. Police from neighbouring divisions came down to assist local police throughout the night. Unfortunately, there was still one person charged with drink driving. It would be great to see none!! That person now faces a fine and a licence disqualification.

Due to the lack of public transport, Seaforth is not the easiest place to live when your disqualified from driving. It's not uncommon for police to then charge the same person with disqualified driving as they take the risk and continue to drive without a licence.

Police have also had some success recently with offenders being charged with Break and Enter offences that have occurred in our area, with the main culprit still in police custody. Remember to keep an eye out for suspicious behaviour and report it by contacting Policelink on 131 444 or if the offence is happening at the time then call '000' immediately.

Stay safe

Adam

As Seaforth Branch is few in numbers with three of our members over the age of 80 you will have noticed that we have been unable to man a market stall **every** Sunday. So I am appealing to our community for some volunteers to maybe help us out in this area.

August and all through September has been busy and eventful for our members. Two members helped with the car registrations for the Car Rally Show while two others manned our market stall. At the Mega

Markets one member helped Pioneer Division QCWA with the BBQ while three members had our Seaforth Branch market stall open for business and sold raffle tickets for our \$100 prize. Congratulations to the lucky winner of the \$100....Frank Cortis, who is one of the Mega Market stall holders.

Our ladies have also attended and supported social functions for Eton/North Eton Branch, Calen Branch and the Pioneer Division 70th Anniversary celebration. We thank the ladies from the Valley Spinners and Craft Group for treating some of our members to a lovely morning tea and a viewing of the many crafts on show at the Community Hall on Saturday 16th of September.

See page 3 for the School Competition results that were judged at Seaforth Branch level.

We had two entries in our International Teatowel Competition and I am pleased to say after going through three levels of judging results for Seaforth Branch are most pleasing.

Decorated Teatowel:	1 st	Josie Hammond
Creative Teatowel:	3 rd	Beryl Edwards

Well done ladies! Many hours well spent.

Thought for the day:

A smile won't break the bank or crack your face although it may be like gold and warm the heart of the receiver.

Yours in QCWA service

Carol Tandridge - Marketing & Publicity Officer—Seaforth Branch

**CRAFTY PEOPLE HAVE AN
ENJOYABLE JAMBOREE**

THE VALLEY SPINNERS & CRAFT GROUP hosted their bi-annual jamboree last month at the Seaforth Community Hall. Visitors from around the state (and someone from Newcastle) had a wonderful weekend renewing friendships and sharing their craft expertise.

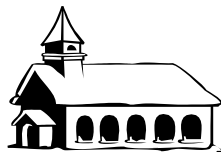

As usual, it was a superbly organised event thanks to the hard work of Margaret Borg, Connie Muscat (pictured above right) and members of the group. Many of the visitors congratulated the group, stating that it was the most friendly get-together that had attended.

The Seaforth Community Hall suits the group perfectly, and this year they were most appreciative of the RADF grant from Mackay Regional Council to assist with the staging of this popular event.

The group has already commenced plans for the next jamboree in two years time.

**Seaforth Distruct
Rural Fire Brigade**

Are you a farmer, a grazier or even living on acreage? Now we are in the midst of very dry conditions and a lot of fuel is out there, each year you need a fire plan.

Be prepared. Clean up around structures and houses before the threat of fire is heading in your direction. Do not burn off rubbish, Permits to Burn will be restricted, we attend too many fires that simply start this way.

Early August, Seaforth Town and Seaforth District were called out to the big fire at Illawong beach. The "MULE", the all terrain small unit from Seaforth District, was very useful in the swampy ground and on dry sand.

IF ITS ON FIRE ---- GET OUT ---- AND STAY OUT

The Whitsundays and Bowen will receive \$7 million in funding to help the tourism industry bounce back from the impact of Tropical Cyclone Debbie.

More funds for greater recovery — I was very pleased to hear Federal Tourism Minister Steven Ciobo recently announce the Whitsundays and Bowen will receive \$7 million in funding to assist the tourism industry to bounce back from the devastating effects of Tropical Cyclone Debbie. Specifically, funding will go to:

- \$2 million for the Hill Inlet Lookout upgrade and expansion on Whitsunday Island. This work will complement the recently announced Queensland Government commitment of \$2.78 million for the development of a new 20km walking track connecting Whitehaven Beach to Tongue Point.
- \$500,000 to deliver all-weather walking trails with interpretative panels on Border, Langford and Haslewood islands.
- \$1 million to deliver new tourism infrastructure at Peter Faust Dam (Lake Proserpine) which will help support new tourism experiences in the region.
- \$1 million to enhance the existing facilities on Flagstaff Hill in Bowen to support the delivery of Indigenous tourism activities, festivals, cooking classes and farmers markets.
- The \$2 million Tourism Recovery Fund grant program opened last month. Funding for projects of \$50,000 or more is available for eligible applicants located in the Whitsunday local government area. For more details visit www.business.qld.gov.au.

All aboard the final Green Army barge - The Green Army for Eco Barge CleanSeas was an election promise I made some time ago but couldn't be realised by Eco Barge at the time. Now it's about to be delivered as perhaps the final Green Army program in Australia. If you're a young person who wants to help injured turtles and do hands-on work for the environment

generally, this opportunity may be for you. For more information visit <http://conservationvolunteers.com.au/green-army/queensland/>.

Sports champs shine on national and world stage - We have many talented athletes across the Dawson electorate and recently 20 of our junior sportsmen and women were successful in receiving grants under the Australian Government's Local Sporting Champions program.

Each young sports champ received \$500 to go toward their sporting endeavours.

Our Round 1 2017/18 sports champs are:

- William Allan, Proserpine – Motocross
- Jy Parkinson, Cannonvale – Swimming
- Shantelle Short, Bowen – Athletics
- Georgia Munchow, Kuttatubul – Soccer
- Albert Dorgeloh, Mackay – Table Tennis
- Tiarni Talbot, Andergrove – Netball
- Gracie Blanchfield, Mackay North – Hockey
- Emma Manzelmann, Mackay – Swimming
- Denesha Bobongie, Andergrove – Basketball
- Kyle Swanepoel, Mackay – Boxing
- Dolma Parigi, Annandale – Sailing
- Harrison Leavers, Annandale – Hockey
- Elisha McMahon, Annandale – Hockey
- Kai Smith, Annandale – Hockey
- Emily Martin, Idalia – Hockey
- Ciara Allen, Idalia – Netball
- Nathan Wright, Annandale – Australian Football
- Jayce Gallego, Giru – Rugby Union
- Faith Taylor, Ayr – Tennis
- Damonn Pitcher, Ayr – Boxing

Swimmer Jy Parkinson, of Cannonvale, received \$500 through the Sporting Champions program to compete at the Queensland State Short Course Championships in Brisbane.

Trudy's lunch a second year success - A huge crowd gathered at the Clarion Hotel Mackay Marinalast month for the second-ever NUDE LUNCH raising funds in the fight against ovarian cancer. The day is the brainchild of a very special lady Trudy Crowley who is living with ovarian cancer now and trying to make it better for those who will be diagnosed with this terrible disease in the future. Well done to Jody Lee Euler of Redhotblue and all the organising team on a great day.

Over \$1,100 for each student in region - I am thrilled to announce schools in the Whitsundays region will receive a funding boost under the government's student-centred Gonski plan that recently passed Parliament. This funding is part of a \$283.63m boost for government and independent schools over the next decade that will see a \$270 average increase next year for every student and around \$1149 on average extra for each student by 2021. Catholic and non-government systemic schools in Queensland will get an additional \$2852.9m under the plan. This means more resources for one-on-one time with teachers and new or existing initiatives such as specialist teachers or targeted intervention programs.

The Seaforth Car Show returned this year on 26-27th August after a short break due to a bit of wind and rain aka Cyclone Debbie. As it turned out we had perfect weather for the weekend. There were 97 cars registered and these were prime examples of their types.

The Car Show committee has continued the original concept started by Stuart Phillis. Stuart's vision was to have a show for all types of vehicles, Hot Rods, Classic, Veteran, Vintage, Classic, Modern. We have tried to keep the event family friendly and family affordable.

We also want to give other organizations in our area the opportunity to raise funds for themselves as well. This year we had the Mackay Scouts collecting the entry fee, the Seaforth State School operating the BBQ and the QCWA Pioneer District doing the registrations and tallying the top 10 and the People Choice Awards. We also had the Holden Club conducting the ever-popular Tappet Cover races.

We are looking forward to next year's Show and hope we can grow and improve the event. If anybody has any constructive suggestions, please add to the Seaforth Car Show Face book page.

People's Choice Winner was **Albert Hajdu and his yellow Torana SLR.**

Still on the Car Show, the Mackay District Cubs collected \$2,980 from the \$2 entry donation of which we donated 50% to the Scouts for their assistance. That is the most we have ever collected and the Cubs and parents should be congratulated.

The QCWA manned the registration table and sold some T-Shirts for us which meant we were able to donate \$400 to the QCWA Pioneer District.

The Seaforth State school operated the BBQ at the Show and they were able to donate \$200 to the Association. So, all in all it would appear to be a profitable Show for the total area.

The Hibiscus Coast Progress & Sports Association would like to thank all the people volunteered their time and efforts into making this a great community event.

The markets will also be having a BBQ and coffee whenever we can get people to run it and that hopefully will be every weekend, so come on down and continue supporting our local vendors and Not for Profit groups.

How you can help our local Wildlife

The Australian Wildlife Rescue Service is a not for profit, charitable organization that was established more than 30 years ago to care for sick, injured or orphaned native wildlife. At present we are keen to hear from anyone who is interested in helping with the following:

- Providing release sites. We particularly need more release sites so if you live on acreage and can give a creature a little bit of food or a bottle until they are ready to leave this would be a big help
- Being a carer for kangaroos, wallabies, possums, bats and birds
- Being a snake catcher
- Manning the hotline when it suits you and you have a bit of spare time. This involves taking calls for help and asking the closest AWRS member to assist.

If you can help and/or would like to know more about AWRS and its activities please call **Yvette on 4943 2610 or on mobile 0429 022 436.**
