Hibiscus Coast Progress & Sports Assn

PRESIDENT'S REPORT

Hello all once again,

The Youth Group has been going from strength to strength thanks to the driving force that is Marc Doumergue. Thanks for the extra effort you have been putting in to get it back of the ground. Your fundraising efforts have been truly excellent.

Thanks also to Chris Doumergue for the effort you have been putting in. The weekly BBQ's have been a great success for the Youth Group, so any time you see the volunteers down at the markets stop in for a snag on bread and support a good local cause.

The Mega Markets continue to be a success also. As usual though volunteer numbers are low, so if you have some spare time and can give a hand even for just an hour or two, please don't hesitate to contact a member of the committee and let them know that you can donate a bit of time.

School holidays are not far off so drive extra carefully on the roads and be patient with other road users. Also be extra vigilant and keep an eye on your community and neighbours as holidays are usually when we have a rise in crimes and incidents. Keeping a lookout for any suspicious behavior can help keep everyone and their property safer.

I would like to thank the Rural Fire Brigade for their extraordinary effort in fighting the bush fire that was down the end of Cape Hillsborough Road a couple of weeks back.

Thanks for saving a lot of properties including mine. Thanks also to Seaforth Civil for your help with the fire also. It's good to see locals helping each other out.

Until next time stay safe and have fun.

Seaforth Youth Group Report

Hello everyone,

The Seaforth Youth Group re-formed in April this year, with a small but dedicated and keen group of local young people. Every Sunday, except for the Mega Markets, the group gets together to treat locals and visitors to a hearty BBQ breakfast of bacon & eggs rolls, sausages and drinks.

We have had the locals, tourists and people from Mackay area drive up for our now famous bacon and egg rolls with cheese, onions and choice of four sauces.

We have sold out many times and are very thankful for the support we have been receiving. Fundraising efforts have enabled us to purchase a new TV/DVD for the games room and a boom box which gets used at every market for some light entertainment. The group has re-opened the game room at the Multi sports complex/BMX track near the Seaforth Bowls Club on a monthly basis.

Our next Youth Group night is Saturday 6th of October at 5:30pm for a hotdog and ice cream night, come play a number of games including table tennis, pool or watch a movie.

More information will be posted on line as it gets closer. We are also looking for volunteers to participate with group activities and fundraising efforts. Catch up with us and come and say hi, on Sunday mornings at the Seaforth Market.

Until next time !

Marc Doumergue

Cyclone season is approaching us fast. Hopefully most people are already well prepared in case we are affected by a cyclone, flood or any other natural disaster.

I have listed a few steps you can take to start preparing before cyclone season starts.

- **Prepare your emergency plan** - Make sure all occupants in your house know what your plan is in case of a disaster event. Your plan can also include emergency contact numbers, medical requirements and meeting places.
- **Prepare for evacuation** - Being prepared with essential items before you evacuate can save you time. Plan where you are going and inform neighbours or family where it is you are going.
- **Emergency kit** - Have your kit stocked and ready to go. Make sure you have enough food and water for 3-4 days. Include other items like important documents, clothing, radio, torches.
- **Prepare your home** - Check condition of your roof, secure loose items (outdoor furniture), trim trees and branches and ensure your home and content insurance is current.
- **Tune in to warnings** - Listen to local radio stations for constant updates and websites such as the Bureau of Meteorology.
- **Check your neighbours** - Find out how you and your neighbours can help each other in an emergency. Get to know your neighbours before an emergency and check on them before and after an emergency.

The Queensland Government and Mackay Regional Council have plenty of resources that are also of assistance. If you wish to find more information you can visit www.qld.gov.au/emergency/dealing-disasters/prepare-for-disasters. They have some great check lists that can assist you in being prepared or visit www.mackay.qld.gov.au/services/emergency_management/disaster_awareness. Mackay Regional Council also have an Emergency Action guide available that has some great information.

If you believe that you will require medical assistance during a natural disaster event you can contact the Mackay Regional Council on 1300 Mackay and register your details with them. I would also suggest informing your neighbours and friends and family so that they are also aware.

The more prepared we are the faster we will bounce back afterwards. Let's hope that we all have a safe summer.

Until next month.

Stay safe,

Adam

SEAFORTH TOWN RURAL FIRE BRIGADE

THE BUSH FIRE SEASON OFFICIALLY STARTED AUGUST 1

We are all well aware of the amount of very dry fuel that surrounds most of Queensland. You would be very surprised just how many fires are started with people using angle grinders, allowing sparks to touch dry grass. Be very aware how quickly a small accidental smolder can suddenly erupt into an uncontrolled "wild fire". Take extra care of your property, around sheds and liquid fuel storage, because "IF IT CAN HAPPEN -- IT WILL HAPPEN"

Net Free Zone Information

Minister for Agricultural Industry Development, Mark Furner came to Seaforth in May and went out with Mick O'Donnell, Mackay Regional Council Mayor Greg Williamson, and a number of other interested parties, to try a bit of fishing and find out a bit more on the ground about our Net Free Zone.

To the credit of the Minister and the Mayor they showed a lot of interest in the effectiveness of the NFZ and the area in general. Mark indicated his intention to come back hopefully in October to try and catch one of the really good size barramundi the area has been recording lately.

Grants help get local priorities sorted

Four councils in my electorate will get more than \$22 million in grants this financial year to spend according to their own local priorities, through payments made under the 2018-19 Financial Assistance Grant Program. The great thing about this funding is councils are free to spend this untied grant money in the way they deem most needed, including for infrastructure, health, recreation, environment, employment and roads projects. Whitsunday Regional Council has received \$677,424 (for a financial year total of \$5,310,051) and

Mackay Regional Council has been given \$717,327 (for a financial year total of \$6,068,182).

Congratulations for pitching in for farmers

The crew at Blue Care Mackay ran a charity car wash recently with proceeds going to the Buy a Bale cause for drought-stricken farmers. Well done to all the volunteers who pitched in. The Reef Gateway Hotel in Cannonvale is on board too. Hats off to the hotel and all the diners who supported their farmer support initiative. The Reef Gateway is donating \$10 from every parma they sell to the drought relief and Buy a Bale campaigns. They have already raised more than \$13,000. They have pre-purchased hay and will donate trucks, fuel and staff to deliver hay to farmers in need as locally as possible. That means four trailers full, or two road trains, or 176 bales in total. Well done to all who contributed for this great cause.

The Reef Gateway's Parma for a Farmer initiative has funded road trains of hay for local farmers.

Endeavours at sea pay off for Rebecca

I presented the Young Endeavour Award to Rebecca Hansford at Abel Point Marina recently. The award, sponsored by the Order of Australia Association (NSW branch), is presented in recognition of commitment, pursuit of excellence, and demonstrating the ethos of the Young Endeavour Youth Scheme. Rebecca, along with 25 other youth crew, sailed on the Young Endeavour from Cairns. The tall ship was an amazing sight motoring into the marina this morning with the youth crew aloft in the yards (up the mast).

Rebecca Hansford received the Young Endeavour Award at Abel Point Marina.

Get seniors online

There are grants are up for grabs to get seniors connected, so please spread the word among relevant community groups. The scheme introduces seniors to digital skills to help them maintain their independence and keep connected with family and friends. Palmview Village, Resthaven on Quarry and Westminster Lodge, in Mackay, as well as Proserpine and District Respite Services at Proserpine, and Whitsunday Community Services Inc at Cannonvale, are already delivering the program, but more are needed.

Visit www.beconnected.esafety.gov.au or call 1300 795 897 for more details.

Pam celebrated with foundation award

It was a pleasure to see longstanding Mackay resident Pam Vitti recognised with an Australian South Sea Islander Foundation Award by Starrett Vea Vea of the Mackay & District Australian South Sea Islander Association at the Lagoons hut. Pam worked for the Mackay council as a community development officer and was integral in the creation of the hut and surrounding precinct.

Pam Vitti is a very deserving recipient of her award for the work she's undertaken for the Australian South Sea Islander community.

MARKETS REPORT

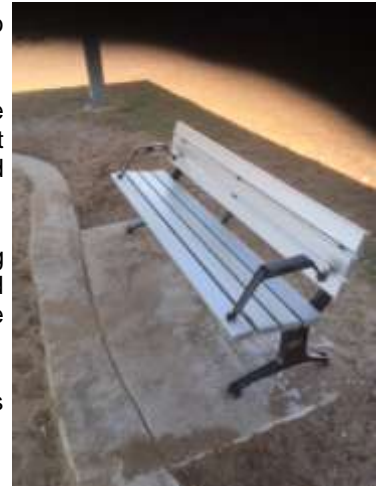

At the September Market we again had a lot of competition with the really popular Dads' Day in the Valley and again we had really good turnout of Stallholders and customers. Although the turn out in total was really good we do seem to be struggling a bit to get the locals turning up in numbers. We would really like some feedback from locals as to what locals would like to see and do at the markets both on the Mega Market as well as the regular weekend market.

The Volunteers we had on the Saturday did a fabulous job of cleaning up the area of mango leaves.

We had John and Caroline Snowdon, John Atkins, Tracey Brice and family and the Freemasons - all helped to clean up the area and mark out the sites for Sunday. Without these and other volunteers we would not be able to hold the markets. After cleaning up and on the way home we stopped in for a well-deserved ice-cream.

Still in relation to the Freemasons, the money that we donate to the Freemasons for helping us has come back in spades, with the Freemasons supplying seats for the kids playground in Acacia Avenue. For those that use the area the seats are a very welcome addition to the Maralyn Ross playground shelter.

Marc Doumergue has put a lot of effort into the Youth Group so have a read of Marc's update on Page 1 of this newsletter.

Also, in another really impressive show of Community spirit Arthur Lavern from Seaforth Island Charters has donated a 3 hour trip for 10 people as the major prize in our Christmas raffle. Thank you very much Arthur - I know there are a lot of people who would love to win this and take family and friends out for look around and get a bit of history on the area at the same time. This prize is valued at \$500.
